

Dear Future Lawyer,

We are writing to inform you about two upcoming system-wide maintenance and upgrade periods that will affect services on LawHub and LSAC online services in July as follows:

The first maintenance period will start on **Friday, July 11, at 5 p.m. ET and last until Sunday, July 13, at approximately 7 p.m. ET**. During this time, services will be unavailable on LawHub, including Official LSAT PrepTests and other features.

The second maintenance period will start on **Thursday, July 24, and last until Monday, July 28, at approximately 7 a.m. ET**. During this time, LSAC online services, including access to individual accounts and our call center, will be unavailable. This means that individuals will be unable to access their accounts and complete transactions such as registering for a future LSAT, submitting fee waiver or accommodation requests, accessing accounts, or submitting applications. All services in LawHub will be available, and customer support via email and our chat feature will be available during this period for general questions that do not require account access.

If you're registered for the August 2025 LSAT, scheduling will be available starting July 22 through the Prometric ProScheduler tool. However, updated information on your LawHub account will not appear until the upgrade is completed.

We apologize for any inconvenience this upgrade may cause and thank you for your understanding.

Sincerely,

LSAC
